Pipe 1

PIPE LENGTHS		
Pipe #	Pipe Length	Distance Between Fittings
Pipe 1	13"	10.5"
Pipe 2	6"	3.5"
Pipe 3	18"	15.5"

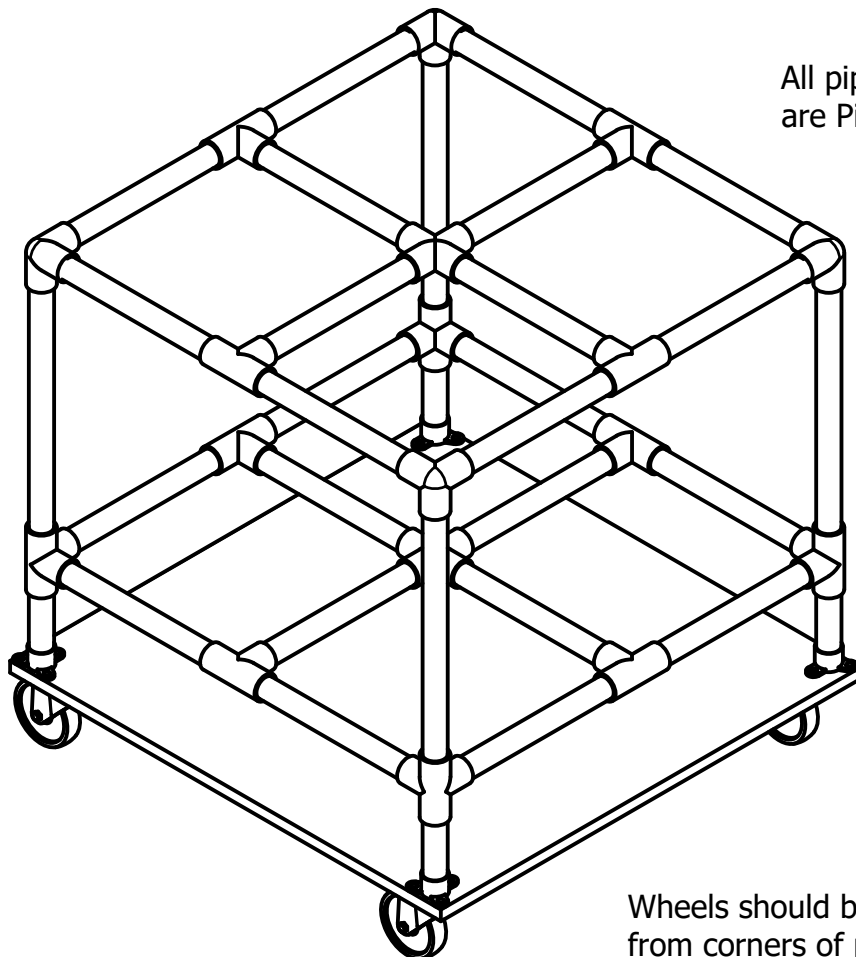

31.73

Plywood lengths are rough. Because of the roation of the PVC wood mounts, one set of sides should be slightly larger than the other; it is not perfectly square.

30.90

All pipes in center crosses are Pipe 1.

Wheels should be placed slightly in from corners of plywood base.
